

M SERIES

TESTER / ASSEMBLY TABLE

Be it an office or factory environment, these tables can be used for office work, assembly of parts, meetings and in a training centre or a design centre. These have a thick top with rounded front edge for comfortable and safe working. Standard table is without any drawer or shelf but these can be ordered as per ones needs. Legs of the table and side supports are made from thick aluminum profile. If required, these can be equipped with leveling screws or castors. Therefore, these tables can be used as Test Benches also.

Set of Bins

Switch Box

Single Drawer Unit

Leveling Screw

Cable Tray

Rounded Table Corner

Tester/Assembly Table (available in 3 sizes)

1200 X 800 mm
